Please make sure your dancer's costume(s) are in ready-to-wear condition. All straps and details are sewn, pinned, etc. When you receive your costume it will be in a bag. It will need to be hung, steamed, pressed, etc. to give it its best appearance. You will be told in class about any extra accessories (hair bows, shoe bows, etc.) that you may need. You will also be told how the dancer's hair should be worn. Attached to this information is a sheet designating the type and color of tights that should be worn with each costume.

Pre-school through 2<sup>nd</sup> grade dancers should come to dress rehearsal and the recital with their costumes on and hair and make-up done. Room mothers will supervise and assist the dancers, but they will not have time to dress and do make-up and hair for the dancers. Please take your child to use the restroom before taking him/her to the dressing room.

Older dancers should bring their costumes with them and should have hair and make-up done at home.

### 5. Photo Day

Photos will be taken from March 13-15 at the studio. Each class will have a scheduled time when both a group photo and individual photos will be taken. Please check the website, [motionsdance.net/recital](http://motionsdance.net/recital), for the photo time for your class(es). In addition to this time there will be open times on Friday and Sunday when you can have individual pictures taken and pictures with siblings and/or friends. Please wear the appropriate tights, shoes and costume (ready to wear) together with any accessories.

There will be a professional DVD of the recital available for purchase. Order forms will be available.

Motions Dance Academy, LLC, Weston Junker Photography and Mid-America Video Images may use photographs or video footage of your dancer for promotional purposes. ### 6. Miscellaneous Information

Parents may video and take photographs at Dress Rehearsal, but **NO cameras may be used during the recital.** It can be dangerous to the dancers and is not fair to other audience members. Thank you in advance for your cooperation. Please inform your guests attending the Recital – **No cameras OR ringing cell phones, please!**

- Dancers and Room Mothers **do not** need to purchase tickets for the show in which they are performing or volunteering. Once a dancer has finished performing, he/she may watch the rest of the recital from the audience after Intermission. Room Mothers and dancers may take any unoccupied seat after Intermission or your dancer

may sit on your lap. Young dancers may remain in their costumes. There should be NO dancers in the auditorium in costume before they dance.

- Most of the youngest dancers (2<sup>nd</sup> grade and younger) will be in the first half of the recital. These dancers should be taken to their dressing rooms completely costumed 1 hour prior to the performance. Room Mothers will supervise these dancers and make sure they are on stage ready to dance at the scheduled time. After their dance, the Room Mothers will take these dancers back to their dressing rooms to get ready for curtain call. There will be a 15 minute intermission at the end of the first half of the recital and parents **must** pick up their young dancers at that time. All dancers who are done dancing and their Room Mothers will then be free to go to the auditorium and watch the last section of the recital.
- Parents, please help the room mothers clean up the dressing rooms by making sure you have all of your child's belongings and generally picking up any trash, etc.
- **Dancers may NOT bring any pop or food into the dressing rooms for the dress rehearsal or recital. Sealed water bottles are fine. There will be a designated "eating" area in the hallway for dancers.**
